Christmas Compassion

Making Christmas Merry & Bright

The festive season is upon us, and Hambledon House Community Centre is once again gearing up to help make Christmas merry and bright for families in our community.

We're proud to offer a range of supports to help ease the burden and spread joy this holiday season. One of these initiatives is the Mayor's Christmas Charity Food Hampers, available to eligible community members. These hampers are filled with festive food items to help make Christmas Day a little more special. Applications close on Friday 6th November.

For families with children, we're excited to announce the return of our Free Toy Shop. This beloved annual event allows parents and carers to select new toys for their children, helping to ensure every child wakes up to something special on Christmas morning. Eligibility criteria applies and spaces are limited. See the flyer below for more information.

We Need Your Help to Make It Happen!

To make the Free Toy Shop possible, we're calling on the generosity of our community. We invite community groups, businesses, churches, faith groups, families and friends to hold a Christmas Drive to collect:

- New toys suitable for all ages
- Non-perishable food items
- Christmas festive food and bon bons

Every donation, big or small, is greatly appreciated. Let's come together to make this season one of kindness, connection, and community spirit.

For more information or to get involved, please contact Sally at Hambledon House Community Centre on huseks@missionaustralia.com.au or 4037 2874.

Together, we can make Christmas brighter for everyone.

CHRISTMAS CARD COMPETITION

Design a Christmas Card for Hambledon House Community Centre and WIN fabulous prizes!

We're asking the 0-12 year olds of Cairns South to design a Christmas Card

Download an entry form from the Hambledon House Community Centre Facebook page or website or pick one up from the centre at 177 Bruce Highway, Edmonton.

Entries close 19 November 2026
Prize judged 26 November 2026

Bringing up Great Kids

Date: Wednesday 11th November - 2nd December 2026 (Inclusive)
Time: 9:30am – 12:30pm | **Location:** Hambledon House, 177 Bruce Hwy Edmonton
Cost: Free | Bookings essential, limited placements. All resources and morning tea provided.
Please book online at https://innatetherapies.com/events-with-innate-therapies/
or you can contact us at adminteam@innatetherapies.com or phone 0414480934

Bringing Up Great Kids – Is a four-week parenting program which is a evidence-based program.

Bringing Up Great Kids (BUGK) programs and resources support parents to:

- Learn more about the origins of their own parenting style and how it can be more effective
- Identify the important messages they want to convey to the children in their care and how to achieve this
- Learn more about brain development in children and its influence on their thoughts, feelings and behaviour
- Understand the meaning of children's behaviour
- Discover how to overcome some of the obstacles getting in the way of them being the kind of parents they would like to be
- Discover ways for parents to take care of themselves and to find support when they need it.

Funded by the Federal Government and Mission Australia.

This program is funded by the Australian Governments Department of Social Service.

HAMBLEDON HOUSE COMMUNITY CENTRE

MISSION AUSTRALIA

Thread Together

Empowering People & Protecting the Planet

Mission Australia's Hambledon House Community Centre is partnering with Thread Together to bring clothes to people in need in our community.

At Hambledon House Community Centre we are seeing an increase in need in our community due to cost of living pressures. This partnership enables Mission Australia to support people in our region with new clothes that would otherwise have gone to landfill. We have had several activations at Woree House, Douglas House, Warringu, Uniting Care Birch Street Food Pantry Day, Youthlink and one at Hambledon House Community Centre. This is what community had to say to Thread Together and the Hambledon House team.

"An incredible concept, heart warming. Can't believe that all of this would have gone to landfill."

"Terrific, helps my family so much. I have 6 kids and this makes a difference." "Grateful for the resource - not many hubs provide this resource." "10 out of 10." "Ended up here through kindness and my son now has some clothes." "Thank you for the community help." "My partner told me this morning we had a graduation to go to and asked me to buy him a suit. I had only $10 to go shopping. I looked at the prices and thought I could not afford donated clothes. I felt really disappointed. Then you stopped me and said it was free. So grateful, so grateful!! Big thank you to everyone, donaters, workers, supporters."

Everyone is welcome.

HAMBLEDON HOUSE COMMUNITY CENTRE
MISSION AUSTRALIA

The Impact of Giving

Susan from Kenfrost Homes delivered an upright freezer to Hambledon House Community Centre. It was kindly donated by Cairns Key Real Estate, in loving memory of Yvonne Rowlands. We are so grateful for their generosity.

The impact of this means that we can store more food for community who are struggling to make ends meet.

The volunteers at Hambledon House generously give their time and energy to the Cairns south community.

A big part of what they do is support the food pantry. Driving to pick up food collections from SecondBite (Coles), Fare Share frozen meals and donation bins at shopping centres as well as unload OzHarvest (Woolworths) deliveries. This is physical work and we are seeking volunteers to help us with this. Is this something you might be interested in?

We are always seeking volunteers to join our wonderful team and to make a difference in people's lives.

Mail: PO Box 387 Edmonton Q 4869

Shed opening hours: Mondays, Wednesdays & Fridays 12:00 pm - 3:30 pm approx.
More information on Australian Men's Shed can be found at: www.mensshed.org or www.qldmensshed.org

Cairns South TOGETHER | Partnering with MISSION AUSTRALIA

When Child Safety becomes involved, families are often left feeling overwhelmed, uncertain and unsure of their rights. Rights in Action has developed a Child Protection Workshop designed to help parents, carers, family members, support people and advocates better understand the child protection process in Queensland. Through practical information and real-world examples, participants will learn about their rights, why Child Safety may become involved, what different orders and agreements mean, how case plans work, and where to access support when they need it most.

This engaging and informative session focuses on empowering families with knowledge, confidence and practical self-advocacy skills. Participants will gain a clearer understanding of how decisions are made, the importance of having their voice heard, and the supports available to help them navigate the system. Whether you are currently involved with Child Safety, supporting a family member, or simply want to increase your knowledge, this workshop offers valuable tools, resources and guidance to help make a challenging situation easier to understand and navigate.

Join us at Hambledon House on 26 November from 12:30pm to 2:00pm for this interactive online workshop. We'll take care of all the technology, so all you need to do is come along, connect with others, and take part in a practical session designed to build your knowledge, confidence and understanding.

Hambledon House Community Centre Community Garden

Layer by Layer: Growing Healthy Gardens with Lasagne Bed Composting

Have you heard of lasagne bed composting?
This simple and sustainable gardening method involves building a garden bed by layering organic materials, much like the layers in a lasagne. Materials such as cardboard, newspaper, leaves, compost, and mulch are stacked in layers, where they gradually break down to create rich, nutrient-filled soil.

The idea of introducing lasagne bed composting to our garden came from one of the members of the Hambledon House Community Centre Community Garden, who shared the concept and its many benefits with the group. Inspired by this approach, we have now created our own garden beds using the lasagne method and are looking forward to watching them develop over time.

One of the great things about lasagne gardening is that it is simple, affordable, and uses materials that are often readily available. All you need is a garden bed, raised bed, or even a recycled styrofoam box, along with layers of newspaper or cardboard, compost, leaves, and a final layer of potting mix on top.

How to create a lasagne bed:

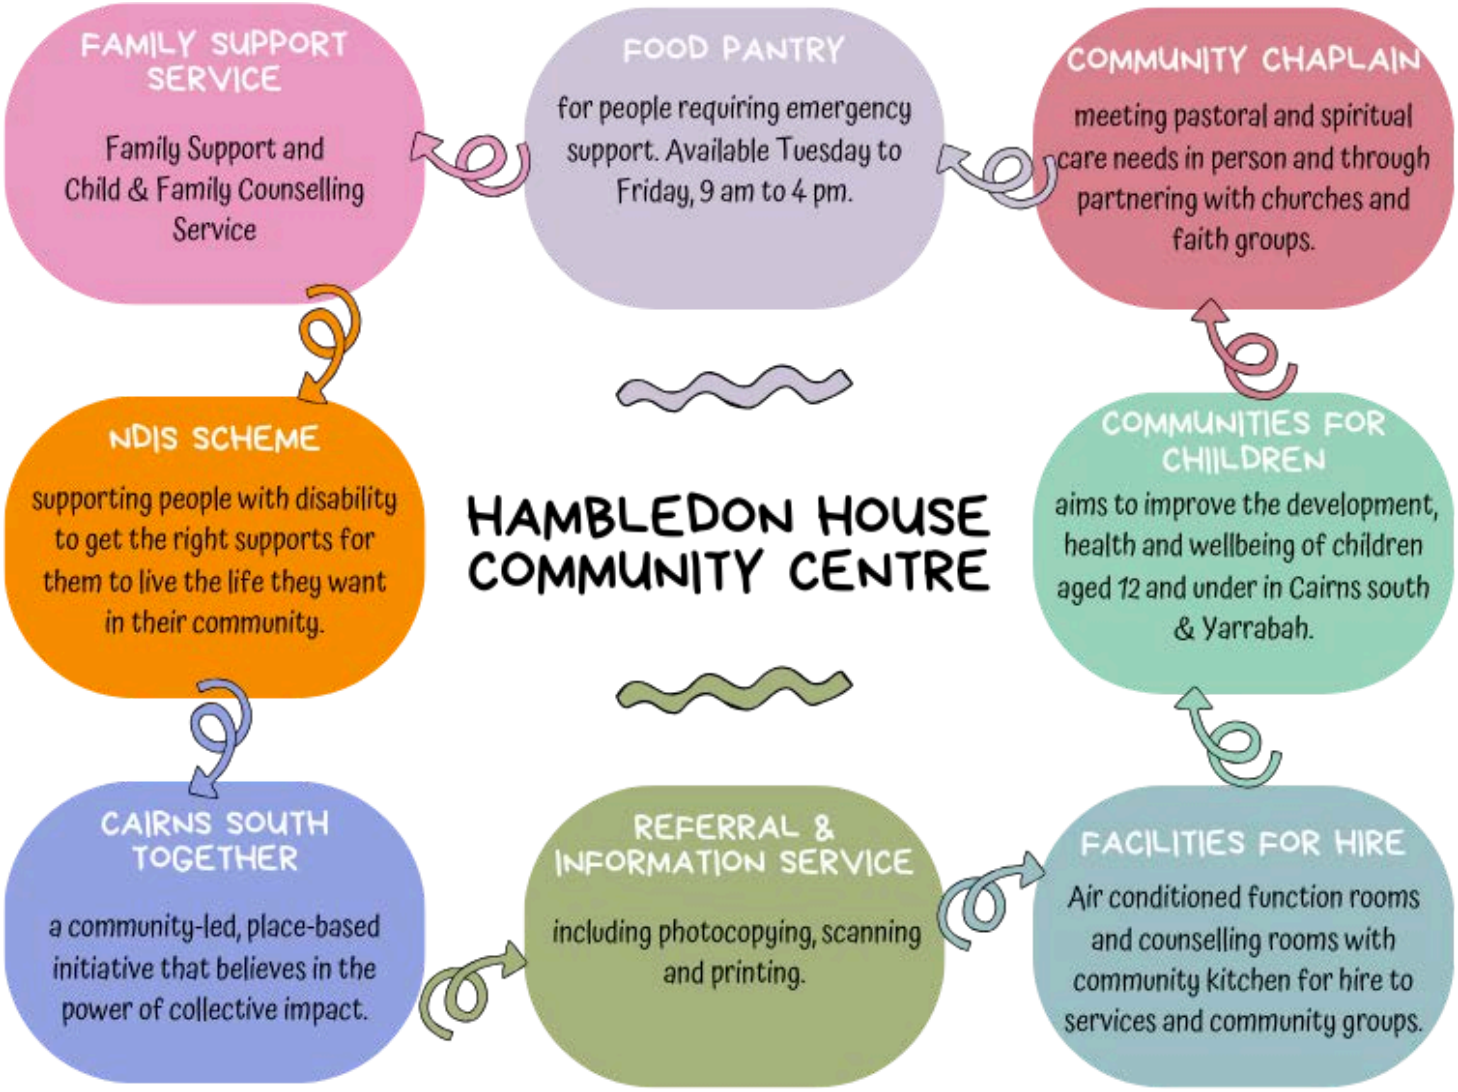

1. Choose a garden bed, raised bed, or styrofoam box.
2. Place a layer of newspaper or cardboard on the bottom to help suppress weeds.
3. Add layers of compost, dry leaves or newspaper.
4. Continue alternating layers until the bed is nearly full.
5. Finish with a thick layer of quality potting mix on top and plant directly into it.

Lasagne bed composting is a great way to recycle garden and household organic waste while improving soil health and reducing the need for digging. As the layers decompose, they naturally feed the soil, encourage beneficial microorganisms, and help retain moisture, creating the perfect environment for plants to thrive.
Another major benefit is that it is highly cost-effective. Many of the materials used can be sourced at little or no cost, reducing the need to purchase large amounts of soil, fertiliser, or mulch. By turning everyday organic waste into a valuable resource, gardeners can save money while reducing waste sent to landfill.
